## REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the primary reason for the indication of the allowability of claim 22 is the inclusion therein, in combination as currently claimed, of the limitations that the label printer method includes the steps of loading a symbol set having predetermined symbols or graphics, reading one or more alignment marks on the disk storage medium, wherein the symbol set and the alignment marks are used to manipulate the laser to write symbols or graphics to the thermally sensitive layer of the disk storage medium and wherein the one or more alignment marks were previously written to a data contents of the disk storage medium. The combined limitations are not found taught or fairly suggested by the prior art made of record considered alone or in combination.

The primary reason for the indication of the allowability of claim 23 is the inclusion therein, in combination as currently claimed, of the limitation that once the symbols or graphics are written to the thermally sensitive layer of the disk storage medium based on the symbol set and the pre-printed alignment marks, the disk storage medium is ejected according to a predetermined orientation using digital data stored on the disk storage medium. The combined limitations are not found taught or fairly suggested by the prior art made of record considered alone or in combination.
